

Alcester Minster Churches Home Groups

Home groups are where Christian faith can grow in the supportive informal small group setting of someone's home.

Have you thought about joining one?

Most groups meet fortnightly for about an hour and a half and involve reading and discussing the bible together, fun and refreshments.

If you are interested, contact Adrian on 01789 764261 / rector@alcesterminster.org to check where we have spaces in a particular group or ring the contact for that group listed below.
